Phool Bahar

Raango ka Safar

Har ladki ke dil mein kahin na kahin
ek chhoti si duniya hoti hai..
jahan sirf phool hote hain, rang hote hain,
aur khud ke sapne hote hain
गुलाबी khwaab...
पीले din...
हरे pal...
aur unke beech chhupi hazaar kahaaniyan
The feeling of running through gardens,
of picking your favourite colours,
of imagining your own fairy-tale world...
Ek yaad...Ek khwaab...Ek safar

Phool Bahar is that world.
